

SATURDAY ACADEMY

BREAKFAST & FAMILY ACTIVITIES

The Kids' Breakfast Club (TKBC) has two Saturday Academy programs and each program provides kids and their parents with nutrition and education activities on Saturdays when school is not in session. The Saturday Academy programs are implemented at three different elementary schools in Hayward California and both kids and their parents (or an adult 18 years or older) must attend together. A Saturday Academy program consists of a free nutritious breakfast, reading and math literacy activities, arts and crafts activities, recreational activities, as well as parent education. Each program starts at 9:00AM and ends at 11:00AM.
